Letter No. 3581-1044 dt the 25th December 1902, from the Comptroller to the Govt of Mysore

Note The Deputy Commissioner, Bangalore, had requested that a sum of ~~Rs~~ over Rs 16,000/ was necessary to acquire the ~~adjoining~~ lands adjoining the Central College Students Hostel. The second Councillor recorded his views that the amount might be met from the General savings in the Education Budget of the current official year and that if there be no such savings, the Comptroller might apply at the close of the year, for a supplemental grant. The draft order contains

containing the above remarks has been submitted to the Dewan for approval the papers are pending orders

The Second Councillor at the same time agreed ordered that the Comptroller might be consulted in order to ascertain how the budget estimates for the 4 months and what savings would result of the year have been worked out the Comptroller was accordingly written to (vide the office Docket No 9543/Ed 233 d 8 12-02) (Placed below)

The Dewan has approved of the draft (d 8-12-02) with slight alterations)

The draft was issued vide order No 11851-5 Ed-F 42-96 d the 14th Feb-1903. sl No 26.

Note continued on receipt of letter No 4554/44 d the 18th Feb from the Comptroller to the Govt of Mysore and Letter No 7584/262 d the 25th Feb '03 from the Dfl of Education in Mysore

Out of the two claims marginally noted, the claim of Govindappa was, in Govt order No 11851-5 Ed F 42-96 dated the 14th Feb-'03 (sl No 26 slip A), ordered to be paid the charge being met from the (probable) savings of Rs 14000 in the Education Budget of the current official year (The other man's claim has to be contested)

⊗ Compensation for lands acquired for extending the compound of the Students' Hostel Bangalore

Rs
11297-2-0 — (Govindappa's claim)
5584-8-0 (Subbaiya chetty's claim)

The saving of Rs 14000 mentioned in the above order was calculated in the office on the figures (Expenditure side) furnished by the Comptroller for the 4 months ended with Oct 1902 with reference to this probable saving, the Comptroller in his letter

No 4554/44 dated the 18th Feb: 03 reports that the figures furnished (that were) have related only to the 4 months (July, August, septr & Oct 1902) and do not represent the probable savings at the end of the year, as the actuals of the succeeding 8 months may happen to be in excess of the Budget average of those months, while the total of 12 months actuals may not exceed the Budget Grant

He therefore requests that a re appropriation statement in the proper form may be caused to be submitted (by the Offg Secy) to get through his office a procedure laid down in the Financial Rules recently published (while reviewing the Spl Auditor's report) (the Comptr)

(× Copy obtained × from the Rev Dept + put up)

He further states that it is only possible for the Head of the Deptt to estimate in the middle of the year what his requirements for the remainder of the year may amount to and what savings he may expect at the end of the year

The Comptroller's request is submitted for orders.

Along with this, what the I.G. of Education, represents in his letter No. 7584-5/262 d. the 25th Feb-03 has to be considered.

The I.G. submits that the compensation for lands acquired for the students' Hostel of the Central College may be paid from the savings of the D.C.W. Budget and supports his argument by saying that the Hostel was built and is maintained from the D.C.W. Budget, and that the Education Deptt. does not provide for the construction or maintenance of College and High School buildings. He further states that it is extremely improbable that a large sum of Rs 11000/- will be saved from the Education Budget.

If funds cannot be provided from the D.C.W. Budget, the I.G. is of opinion that the acquisition of the lands (which is more a luxury than a necessity) may be deferred till provision can be made at a future date.

The two letters are submitted for orders.

Sir,

I have the honor to submit, herewith, a Compensation Statement showing the awards made to parties whose lands were taken up for the extension of the Students' Hostel Compound in Bangalore, and to state that of the two parties to whom Compensation was awarded under Mysore Land Acquisition Regulation article 11, one Govindappa to whom a sum

of-

of Rs 11,297 2-- was awarded for the lands and the buildings thereon, accepted the award the other one Subbarayar Chetty to whom a sum of Rs 5,584/8, was awarded for the land and buildings thereon refused to accept the award

2 The deposition taken from the former is herewith submitted for reference, while that from the latter is returned to be forwarded to the Subordinate, Bangalore, for adjudication

3 The land in question was personally inspected by me and the awards fixed after careful enquiry as to the estimated value of the lands and the buildings as will be seen from the enclosed memo

4 The sum of Rs 10,000/= sanctioned

for the above purpose in Govern-
ment Proceedings No 16104 - 9/
Ed 742-96 dated 3rd March 1902,
has not only lapsed since the
close of the last official year, but
is also insufficient to meet the
whole cost of acquisition

5 The Government is therefore
requested to accord sanction for
the amount awarded and to point
out the source from which the cost
is to be met. The party who accept-
-ed the award is pressing for pay-
ment, as he intends to build another
house elsewhere for which he states
he has made arrangements

Sir,

With reference to Government Proceedings No 11891-3/Fd P 42-96 dated 14th Instant directing that the Compensation awarded in favour of Govindanna Setty amounting to Rs 11,297-2-0 for lands acquired for the Students hostel Central College, may be met from the Savings in the State Fund Budget of the Education Department of the current year which are reported by the Comptroller to amount to Rs 14,000/- I have the honor to report that the statement sent with this office No 3532-1044 of 19/21th December '02 was in reply to an enquiry from Government as to how the Budget provisions of the current year have been used up and that the Rs 14,000/- shown in the statement is only the difference between the probable actuals from July to October and what the actuals would have been if the Budget average had been fully utilised during those four months This does not therefore represent the probable savings at the end of the year, as the actuals of the succeeding eight months may happen to be in excess of the Budget average of those months while the total of 12 months' actuals may not exceed the Budget grant It is possible therefore only for the Head of the Department to estimate in the middle of a year what his requirements for the remainder of the year may amount to and what savings he may expect at the end of the year.

Before according sanctions for items not provided for or in excess of Budget grants I therefore beg to suggest that the procedure laid down in paras 21 to 24 Part I Chapter II of the Financial Rules referred to in para 3 of Government order No 1150-1192/18-1901-C2 o

The Hostel was built and is maintained from provisions in the D P W Budget. The Education Department does not provide for the construction or maintenance of College and High school buildings

in the Education Budget, and it is extremely improbable that a large sum of more than 11000 Rs will be saved from that budget All establishment-charges are calculated Carefully in the budget and Contingent Ex- penditure which is also Carefully Calculated according to requirements cannot be reduced If funds cannot be provided for the acqui- sition of the lands from the D P W Bud- get or otherwise, I submit that the acqui- sition of the lands which seem to me more as a luxury than a necessity may be deferred till provision for the cost can be made at a future date

My dear Mr Narayandayya,

Has it been found impossible to meet the cost of the acquisition of the land adjoining the Hostel out of savings in the budget? I have heard nothing of the matter since receipt of G O no 1851-5
1 E 4296

dated 14th February

I have a balance
the credit of the
Hostel of Rs 2000, which
might be utilised for
the purpose of acquiring
the land, if Government
approves

I should like
very much to have this
— — — — before

Mr Cook's return on
22nd or 23rd, if
it can be managed

Yours sincerely
